How it Works

Low Rates. Easy applications process. Fast turnaround.

1

Finalize

Confirm your final equipment selection and any optional add-ons. Select your preferred loan program and receive your final proposal.

2

Apply

Call or email Greensky to get started with your loan application. Be sure to have your loan plan number and total loan amount handy.

3

Sign

Once approved, you will need to set-up your account. Walley's is alerted of your approval, prompting both parties to sign to release funds.
